

# Gifted Kids have a Mascot!

*You may know of his famous uncle, but have you met Sigg?*

Like other CASIGYs, (Creative, Acutely Aware, Super-Sensitive, Intense and/or Gifted You-s)

He was **\*DIFFERENT;**

so he was:

- ridiculed
- excluded
- shunned
- shamed
- ostracized
- banished into exile

LATER . . . (following his uncles' path)

He came back from exile

And made a creative contribution

In his (global) community. . . also because of that SAME RED NOSE!

Because of what he's been through, he's got lots to teach Gifted Kids about –

- ✓ Coping with your differences
- ✓ Healing from your hurts
- ✓ Transforming your pain
- ✓ Returning from exile
- ✓ Making a creative contribution
